

Hello!

The New Brighton / Mounds View Rotary Club is hosting its 17th annual Gold Plate Dinner fundraiser on Friday, April 13, 2018.

Our theme this year is:

As in the last two years, we will bundle together gifts cards to several area dining establishments for "Dine Around Town" bundles that are auctioned off as part of our live auction. Last year we had two bundles worth nearly \$500 each that sold for almost full value.

We invite you to support the community and take advantage of this great marketing opportunity. As a contributor, your name will appear in the printed program provided to 175+ community members attending, as well as in a "thank you" article that will be publicized in the local paper to recognize sponsors and donors.

Will you please donate a gift card or two to this fundraiser? Any amount is appreciate; \$25.00 or more is especially valued.

Thank you!

Rotarian,
New Brighton / Mounds View Rotary
